

Chevron

Offshore Mooring Overhauls

For the past eight years, Chevron has contracted the services of Curtin Maritime for their annual El Segundo Tanker-Berth overhaul and inspection.

For the past eight years, Chevron has contracted the services of Curtin Maritime for their annual El Segundo Tanker-Berth overhaul and inspection. With the high

risks offshore oil work entails, we were proud to have the trust of one of the largest and most recognizable oil companies in the world.
